Hi everyone,

At last I am finding the time to get the drama group back into action. We have money from Awards for All to spend so I hope you are all keen to get join in workshops, trips and a production in November. We hope to involve you in creating our own play and there will be opportunities to act, sing, play instruments, make costumes, stage props, special effects and lighting.

To make a start there will be a story-telling and improvisation workshop next week on Tuesday for secondary school age in the morning 10-12 and for years 4, 5 and six in the afternoon 1p.m -3p.m.

On the Wednesday there will be a dance and movement workshop for 8-11 year olds. Over the summer we are also hoping to visit the Theatre by the Lake for a tour backstage, have a special effects workshop at the theatre at Cumbria Institute of the Arts and lots more.

There are some really good productions on this summer at various venues and it would be good to experience some of these. How about coming to see

The Tempest; a modern production specially designed for year 5 and upwards performed by "Mad Alice Productions" in association with Cleveland Theatre Company. This is at Bowes Museum on Friday July 14th at 7.30p.m

The Adventures of Tom Sawyer is an open air performance at Lancaster. These productions are usually really excellent and this one sounds no exception. Wed August 2nd

More Shakespeare-----The Royal Shakespeare Company is bringing **Romeo and Juliet** to Newcastle in the autumn so tick the box if you are interested in going to see this.

Tickets and transport will be provided with a small donation from you.

Please fill in the attached form and return as soon as possible as places are sure to in great demand.
